

ASEAN ENERGY BUSINESS FORUM 2017
POWERTRENDS 2017

27-29 September 2017, SMX Convention Center Manila, Philippines

HE Esra Cankorur
Ambassador
Embassy of Turkey

Dear HE Cankorur:

Marking the 50th year of the founding of ASEAN, the Philippine Department of Energy (DOE) is hosting the 35th ASEAN Ministers of Energy Meeting (AMEM) in Manila on **September 27-29, 2017 at the SMX Convention Center.**

In parallel, with the DOE as Official Host, the ASEAN Centre for Energy and Leverage International are organizing the **ASEAN Energy Business Forum (AEBF)**, incorporated with **Power trends** international exhibition.

AEBF-Power trends 2017 will consist of the following:

- A Joint Official Opening of the 35th AMEM, the AEBF, associated meetings with ASEAN's Dialogue Partners and the **Power trends** international exhibition
- A closed-door Ministers-CEOs Dialogue between the 10 ASEAN Ministers of Energy and CEOs of no more than 12 active energy companies in the Region, for strategic discussions on meeting the energy demands of ASEAN's fast growing economies
- The **Power trends** international exhibition on directions for energy, power and electricity which has been a regular event supported by the Philippine Department of Energy since 1995
- A conference which will include focused discussions on Regional Issues, NatGas/LNG, Role of Coal, Renewable Energy, Digital Energy, and Nuclear Energy. The theme for this conference will be **"Regional Security, Sustainability and Resiliency"**
- Meetings with our Dialogue Partners
- A Gala Dinner/Awards Night for ASEAN awardees for outstanding contributions to energy development, each awardee to be presented a trophy by an ASEAN Minister of Energy
- B to B sessions on energy projects for development
- Technical presentations by international agencies and companies
- A networking cocktail for ASEAN government officials, Power trends exhibitors/sponsors, AEBF delegates and invited guests

We would like to request you to organize companies from your country to exhibit in Power trends 2017 and join AEBF to bring them to the forefront of where influencers, decision

makers and senior management officials of energy in the ASEAN region meet. You will not only spotlight their businesses to a targeted audience but likewise communicate your value and support for this regional undertaking.

We would be honored to work with you to make this happen. Let us know when and how we can work together on this. Please feel free to contact our Secretariat for any of your requirements.

Very truly yours,

Cecilia A. Sanchez
