Director General
Directorate General For European Union And Foreign Relations
Ministry of Agriculture and Forestry
Republic of Turkey

Dear Ms. Aylin ÇAĞLAYAN ÖZCAN,

At the request of Taiwan's Bureau of Animal and Plant Health Inspection and Quarantine (BAPHIQ), I would like to inform you of Taiwan's new regulation about the import of plant regulated articles by mail, starting from 20 June 2019.

In principle, plant regulated articles cannot be mailed to Taiwan; otherwise the goods will be reshipped or destroyed. Exemption applies to those plant regulated articles that does not require a phytosanitary certificate as publicly announced; or those that have obtained prior approval.

Please kindly help us circulate this information among Turkish exporters.

Sincerely,

Charles Tseng
Director
Economic Division
