Dear Mr. Günendi,

thank you very much for the good conversation and interesting dialogue yesterday. Please find attached again the information from our presentation.

One of the brochures you gave me was about Turkish companies with a focus on textile. Maybe the following event could be interesting to participate. Participation is free of charge, and as the main organiser is located in Düsseldorf it can be good place to establish contacts to Germany.

More information: <https://fashion-match-supply-2021.b2match.io/>

With a more regional focus, besides the International leather goods fair in Offenbach, for example, there is the Frankfurt Style Award <https://frankfurtstyleaward.com/> and also this summer the Fashion Week <https://www.frankfurt.fashion/de> of Messe Frankfurt with many events planned for July.

We are pleased to have been able to welcome you at IHK Offenbach and we're looking forward to stay in touch.

Best regards
