

The Egyptian Customs Authority

Announces

"Advance Cargo Information System (ACI)"
Will be applied on all air borne cargo.

Pilot phase will start on May 15, 2022

And mandatory phase by October 1, 2022

Egyptian Customs Authority invites all importers, customs brokers, and air freight forwarders to register on Nafeza through www.nafeza.gov.eg

air cargo will not be permitted into the country by October 1, 2022 without obtaining an approval through the ACI System.

In line with the implementation of the provisions of the Egyptian Customs Law No. 207 of 2020 to eliminate the harmful practices of the international trade.
