BARILGA EXPO 2024

build smart ...

April 12-14 2024
BUYANT-UKHAA SPORTS PALACE

The "BARILGA EXPO 2024" international exhibition has been held continuously for 17 years and has already created its own space and color in the Mongolian construction industry sector. The international exhibition has been expanding year by year and it has become the largest exhibition of its kind with the number of participants and the sales volume have increased to the point where more than 400 enterprises and 38,000 participants come together.

According to tradition, the BARILGA EXPO 2024 International Fair is taking place on April 12 - 14, 2024 at the Buyant-Ukhaa Sport Complex under

the theme "Build Smart..." and preparations are underway. At this exhibition, we aim to promote the rapidly developing digital transition and advanced technology in the international construction industry to the Mongolian market, and create smart choices that are environmentally friendly and ease human labor.

The special feature of this year's expo presents cutting-edge materials of housing and construction, advanced technology and equipment while the venue's outside area offers an opportunity to present large-scale products and services such as machinery, tools and equipment.
