

Dear Sir/Madam : Embassy of Turkey in Amman

I hope this email finds you well.

This is Reema Swais, CEO of PROTEEM company, which is a family business established in 2023. PROTEEM specializes in the export and import business in Jordan.

I am reaching out to introduce myself to explore opportunities to help strengthen my company brand by adding a country to our profile, specifically Turkey , as they are highly reputable for their highquality factories, and good relationships with Jordan.

Having had the opportunity to understand more about Turkesh companies , I am reaching you to help us finding good factories to cooperate with. Today I need a factory for ***sweet Coren for restaurant use , every box should be 1-5 KG.***

Kindly let me know if you're open to the idea, and I'd be happy to facilitate a meeting or call between both parties.

Note : attached our company information

Thank you for your time. I'm hopeful for the potential connections this introduction may foster.

**Best regards,
Reema Swais
