The company LTD "Agro-Yana" invites you to participate in the creation of project "Russian Regional Centre for the cultivation, storage, processing, sale of vegetable production" enterprises for agricultural business purposes, investors, partners,

**The purpose of cooperation:**

Joint commercial use of the ground areas located on distance 170km. from Moscow, along the federal automobile highway M8 (Moscow - Arkhangelsk).

This highway connects manufacturers of the Yaroslavl area, the Ivanovo area, the Kostroma area and the Vologda area with the largest trading platforms in Moscow.

The part of road M8 from Moscow up to Yaroslavl enters into European route E 115.

The road has high traffic volume, location of the commercial project on this area, will greatly reduce logistics costs and advertising.

The ground areas are the property of the company, total land area 212.61ga (see map on <http://www.all-grounds.ru/ground2.php#0> land №2, №4), railway line passes at a distance of 200m. from the land №4, the nearest central railway station to be in village Semibratovo on distance 2km. of land.

**Options for joint land use:**

- Construction of a vegetable storehouse by capacity up to 20 000 tons of vegetables on the European standard a class "A" and "C" with complete infrastructure,
- processing of vegetables (potatoes, carrots, beets, onions, cabbage) - washing, filling, cleaning, cutting, vacuum packaging, power lines 5 000 tons / hour
- creation of commercial brand,
- cultivation of vegetables, construction of the greenhouse complex, the sale of seed production,
- Creation of a demonstration platform with the purpose of advertising of technologies, fertilizers, seeds, a special equipment for manufacturers of vegetable production in Russia.

Company "Agro-Yana" has the opportunity to represent and products your company in Russia.

**Initiator of the project:** holding group of companies "Yana" and LTD "Agro-Yana".

The company "Yana" was founded in 1992. The structure of holding includes 39 legal persons operating in the territory of the Russian Federation.

The company "Yana" is a member of the Yaroslavl Chamber of Commerce and Industry - since 1995.

Company "Agro -Yana" is actively the economic work in different directions with the Association of Peasants (farmers) and agricultural cooperatives Russia <http://www.akkor.ru>.
